

## Melvin Succeeds at Almost Everything He Tries

by Paul Healy

Maybe you've known a guy like Melvin before. He's the kind of kid who seems to have a knack for everything. If he puts his mind to something he succeeds. Where the rest of us have to work hard to be good at sports, hobbies or academics, Melvin seems to be a natural at all of those endeavors. And more.

Here is a partial list of Melvin's strong suits: basketball, baseball, soccer, ping pong, foosball, music, mathematics, puzzles. He can solve a Rubik's Cube in under a minute. He participated in a basketball program this past summer and was voted the overall MVP. He learned to play guitar and drums almost effortlessly. If it were somebody else's kid, or a classmate of mine growing up, I might find him annoying. But because he's a CSC resident I consider him to be amazing, inspiring and incomparable!

***...in addition to everything else, Melvin is a great guy whom everyone likes!***

Francis Georsua is the music teacher at Children of Hope School, and Melvin's first guitar teacher. He remembers Melvin as a very fast learner. "He was always eager to learn and improve," recalls Francis. "He was my very first guitar student, and he was a great help in getting the other students interested in playing guitar." Melvin also plays the drums and, according to Francis, could probably learn to play just about any instrument he wanted."

In addition to his many accomplishments in music and sports, Melvin is known as a young man with a heart for others. This past summer during the award ceremony he gave one of his medals to a teammate who hadn't received any award. He is a leader and a good role model for the younger boys in the Cherne Home, and a good big brother to Milbert. Not surprisingly, Milbert has taken up guitar and drums and is an accomplished musician in his own right.

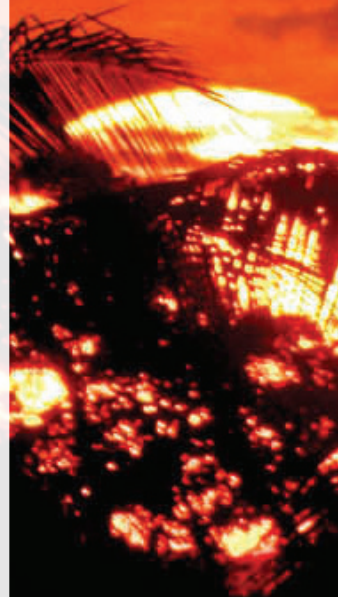

Recent changes in United States laws make it doubtful that Melvin will be able to be adopted, as he is already 16 years old. But while that is certainly a disappointment for him, Melvin is working hard in school to prepare himself for whatever opportunities

may come his way. He has learned to trust God for his future.

The future looks bright for Melvin. He has made the most of the chances that CSC has provided for him through education, sports, recreation and music, and his positive attitude and sharp mind will help him tackle the challenges of life that he will face. According to Sandy Swanson, CSC's Child Development Director, "We are proud of Melvin and look forward to see what God has for him. We know it will be good."

Growing up, I went to a church where we said the Lord's Prayer every Sunday. I don't go to a church with this tradition now, and sometimes I miss it.

On the other hand, I know one downside to reciting the Lord's Prayer is just that: reciting. It can be easy to just stroll through the words, wandering past their meaning - checking the prayer off a Sunday to-do list.

Ministries frequently have a similar struggle. It can be easier to expect a recitation of faith than to seek authentic faith. We could expect our kids at CSC to act as if they have faith, rather than guiding them in a real understanding of Christ and the wonder of a relationship with him.

Our kids see the manifestations of faith every day. They are in the midst of a place filled with the love of God, and the love and prayers of his people. But we don't make common belief a rubber stamp that is expected when kids come through our gates. Instead, we expect their questions and doubts; we anticipate they are wrestling with understanding God's love after they've been through so much pain and loss.

If you're a part of our FrontLine prayer team you know that this often comes up in a prayer request for our kids. One of them may be struggling with a certain doubt, living out their faith in school or any number of the same struggles many of us have had.

This is what makes us rejoice when we do have a kid meet with a counselor, house parent or missionary and decide they are ready to make faith in Christ their own. These are days of celebration, of a deep joy that comes from the only true renewal this world knows. Thank you for being part of a place fostering authenticity, and resisting the temptation of rubber stamps.

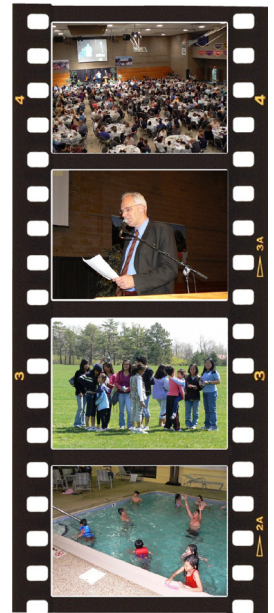

You can join the FrontLine prayer team at [cscshelter.org](http://cscshelter.org) or by calling (763) 689-6558.

## 2010 ANNUAL BANQUET SET FOR APRIL 24

It is time to start planning to attend the 2010 CSC Banquet, to be held on April 24 at Bethel University. Seating will start at 6:00 and the dinner and program will begin at 6:30. We will be treated to a delicious meal, good fellowship with other CSC friends, music to warm our hearts and exciting updates on the ministry.

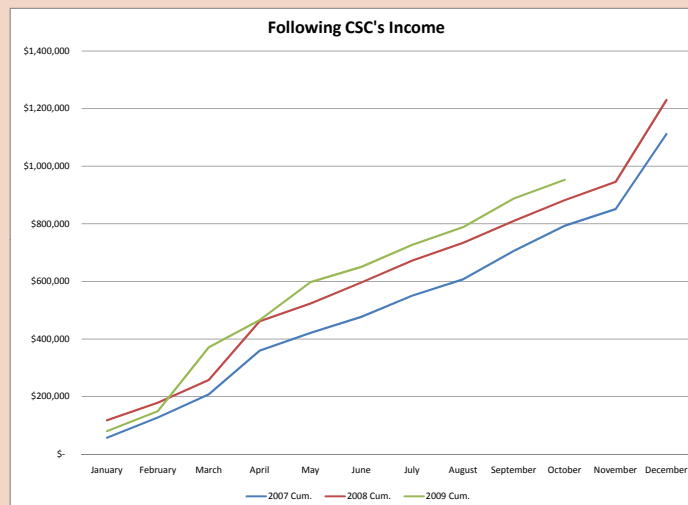

The theme for this year's affair is "The Greatest of These: Love Abounds at CSC." Come and see how your gifts and prayers are turned into loving care by our Cebu staff and workers. There will be a media presentation, testimonies and lots of surprises from Cebu.

Invitations will be sent out early next year, and there will be announcements and information on our web site at [cscshelter.org](http://cscshelter.org). Please plan to attend!

## Financial Report: Big Fourth Quarter Push Needed

We are entering the biggest giving season of the year at CSC. The 4th quarter has a tremendous impact on the year as a whole—and what we're able to do entering 2010. In fact, more than 22% of our yearly income comes in during December. It is a time of lots of prayers and faith-stretching for our staff and board. So much rides on what happens, and yet we know God will provide just exactly what we need.

a much-needed miracle. Still, plenty of work remains, and we are operating on a lean budget. We have had to withdraw our entire US reserves to support

### Frankie Wright Medical Center Opens

Our new infirmary opened on October 9 when our nursing staff moved their office into the new facilities. The Frankie Wright Center has six ward rooms, a centralized nurses station, a lab and lots of storage and office space.

### Duterte Home Opens

Our new residence for children opened on Saturday, October 24 when the Eicher Home children transferred into the new house. Patrick and Lourdes Ronquillo are the Duterte house parents.

### Volunteers Create New CSC Web Site

CSC has a new web site, featuring easier navigation, more pictures and videos, and lots of special features. The site was designed by Dan Voorhees of D23 Design, and developed by Chris Hansen of Insight Communications. Chris is a CSC board member and long-time friend of the ministry.

Both Chris and Dan donated their services to CSC for our new on-line home. Now it's easier than ever to learn more about CSC, follow news and developments, read staff blogs and give to the ministry. Check out this great new site at [www.cscshelter.org](http://www.cscshelter.org). Many thanks to Chris and Dan!

### STAFF GLIMPSES: SANDY SWANSON AND TAMMY VOSIKA

**Sandy Swanson** is our Child Development Director and has been on the CSC staff since 1979. She is from Anoka, Minnesota. Sandy supervises all of the child care functions of the ministry. Check out her blog at [sandrarswanson.spaces.live.com](http://sandrarswanson.spaces.live.com).

**Tammy Vosika** teaches in our school and has been on the school faculty since 2006. She is from Cambridge, Minnesota and came to know about CSC when a team from her church helped out in 1998. Check out her blog at [tammyvosika.spaces.live.com](http://tammyvosika.spaces.live.com).

**DANIELLE** has been with us since she was three weeks old, arriving as a three pound preemie. She is now a petite and active 22 month-old. Danielle is starting to talk and loves to sing. She dances to any and all kinds of music. She is curious and interested in everything around her. She loves to dress up in "girly" clothes. She is the little princess of the Eicher Home.

hoppers and just making sure that all is right with his world.

**ANGILLO (7), RHOELLA (5) and CHARLES (3)** each came to live with us at different times but have all been here together for about a year and a half. **Angillo** is a great big brother to his siblings. He is shy but wants to be in the midst of all the activity in our homes. He is a deep and serious thinker but knows how to have fun as well. He loves to build things with Legos and Duplos. He is creative and independent. **Rhoella**

is a social butterfly. She loves to talk to people and enjoys being "center stage." She has questions and requests for us all the time! She is proud of her accomplishments and enjoys telling one and all about them! **Charles** is a little Angillo. He is quiet and independent. Charles is slow in speech but can communicate when he wants to. He loves to create things with Duplos and any other objects that he gets his hands on. He is quietly strong willed and often wins in battles of will with some of the caretakers.

**ARGEI KEM (15), ARDIAN (13), ADELYN (12) and JANICE (9)** have lived with us for over three years.

**Argei Kem** is a wonderful young man who cooperates well and gets along with everyone. He has a very hard time academically due to some cognitive delays and the fact that he

did not start his schooling until he came to CSC. **Argei Kem** loves to help out around the homes and is a very honest young man. **Ardian** is still adjusting to the fact that his needs and even his desires are met here at CSC. He still worries about his next meal and "things" are very important to him. He is most at ease if he has a pocket full of toys and other things he collects during the day. He is cooperative and is working hard at school even though academics are also difficult for him. **Adelyn** loves living at CSC. She is inquisitive but thinks quite simply so we all have darling Adelyn quotes. She desires to please and works hard at any responsibility that she is given. She knows she is loved and cherished here and that has made a wonderful difference in her life. **Janice** is progressing academically. She is quietly strong willed and was used to getting all the attention as the youngest in her family. She is a fun loving little girl who spends a good portion of her time trying to figure out how to get around the rules and how to charm others to get her way!

**JOHN NIÑO** is 21 months old and came to CSC when he was only two weeks old. He is very bright and quick witted. He is definitely a born leader and is Danielle's dance partner

when the music starts! **John Niño** loves life, he makes us laugh at his antics every day.

**LEONARD** is 17 months old and has lived with us for 9 months. He is definitely in the toddler stage, leaving the baby stage well behind him. He is a very content but curious little guy. He loves cuddles but is happiest when he can wander around the playground investigating what other kids are doing, looking at spiders and ants, chasing butterflies and grass-

## STAFF GLIMPSES: JOEL REASONER AND AMY LUCK

**Joel Reasoner** has been on the CSC staff for two years. He is from Cambridge, Minnesota and visited CSC with his family as a child. He helps out with the CSC web site and Foster Friends program and leads our boys' club. His blog can be found at [joel-reasoner.spaces.live.com](http://joel-reasoner.spaces.live.com).

**Amy Luck** has been a CSC staff member since 2007, but spent several years prior to that as a teacher in our school. She currently teaches our pre-school class and helps with the child care program. Amy is from Kulm, North Dakota. Check out her blog at [luckcebu.spaces.live.com](http://luckcebu.spaces.live.com).

## High Schoolers in Focus

We have five high schoolers this year, attending four different schools. Jeneviev and JohnRay are studying at the M-Zed Christian School, a school that lets them work at their own pace through the curriculum. Jeneviev is doing

well with her work, has made some friends and is participating on the volleyball team. JohnRay, because of health concerns, does not attend school but works on his lessons at home or at the Children of Hope School.

Analiza attends the Bradford School. She is struggling with her classes but works hard and enjoys the increased independence that comes with high school. Melvin goes to Cebu Normal where he does very well in his work. He excels at basketball. Roselyn goes to the First Baptist High School. She is doing very well this year and

is very focused on her studies and in finishing high school. She and Analiza receive tutoring help in the evenings.

### Prayer Items

1. The Philippines was hit by two devastating typhoons within a matter of days. Several hundred died and hundreds of thousands ended up homeless. Pray for the efforts to help these families and for those who lost loved ones.
2. The Philippines is gearing up for a presidential election next year. Pray for peace and order and for fair and honest elections.
3. Pray for the government officials, particularly in the area of adoption, whose decisions impact CSC directly and indirectly.

### Our CSC Circle of Prayer

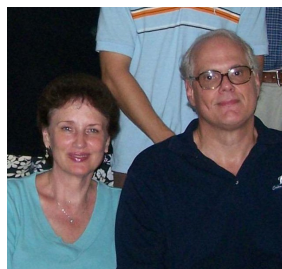

### Praises

1. Thank God for his faithfulness during difficult economic times. Though many are out of work he touches others who are able to give in their place for the sake of the kids.
2. Praise the Lord for the good health of our children during recent months. This has been especially meaningful during the busy days of preparing to move into our new facilities.
3. Praise the Lord for our beautiful new buildings that are a tremendous asset to the ministry.

won't need to cut a single program, staff member or make a single child admission decision based on limited funds. That historical big push in December will once again make all the difference. We are praying our supporters will amaze us once again in that all-important month. Please keep CSC in your prayers!

**F**or the modest sum of \$25 a month, you can be a Foster Friend. You will be assigned a child and will be given a picture and background information on how your child came to live at CSC. You will receive regular updates with pictures so you can chart your child's development. If your child is old enough, he or she will send you an occasional letter. Since it costs much more than \$25 a month to provide for the many needs of a child, your gift will be combined with those of others to form an extended family of support for your child.
